A Vase Event

B1739 Vase Event (3)

Mold casts 3 different vases, 3 blossom tops, and 3 pairs of optional leaf sets.

Retail: \$56.00

Size: 6 1/2" tall x 2 1/2 to 3" bottom diameter depending on the design.

To Create a Vase as shown, the blossom top center is trimmed away. After coloring and glazing set the blossom in place and it will bond itself during the firing.

Leaves: are a decorative option and need to be attached in wet greenware stage.

Vase Event includes square, round and triangle bottoms.

Options: A Lidded Bottle.. For bath salts...etc. During the casting Process simply do not alter the top Blossoms. The mold produces a Solid top. A grouping of these bottles make a great bath accent.

More Ideas: Party / Shower Favors.. They are 6 1/2" tall and make an impressive statement.

With the leaves attached the leaf set provides a place to tuck a place card.

This plain canvas design provides ample space for expression. Perfect for children to make a functional gift.
